

LEONAY – 15th October, 2023

The final round of the Masters Series for 2023 played out at Leonay with a reduced field of 16 players on a spectacular day weather wise – not a cloud in the sky and a pleasant 25 degrees with slight breeze.

The big winner on the day was Michael Dentist with 41 points who cleaned up in all events and the skins and the Green Te4am prevailed in the team event.

Colin Iles held on for a one point win in the Masters Series to take out the \$500 first prize from a fast finishing John Killin with Michael Lees, who was unable to contest the last day, in third place. Trevor Porter finished 4th and Pat Bardsley took 5th and last place in the money stakes.

Well done to all of those winners.
