THE 2023 MASTERS SERIES

The Ridge – 19th March, 2023

The second round of the second Masters Series was played in fine, although very hot, weather – apparently the temp gauge climbed to 39 degrees as we battled our way round. It is a tough layout and would be a challenging walk at any time but in those conditions it would have been a very severe test of stamina for anyone – thank goodness we were all in carts.

The course is in very good nick with excellent fairways and very good greens although the bunkers were left totally unraked by players preceding us. I think the scores all round would have been better had conditions not been so trying and, as it was, four survival balls came back.

Darryl Casey completely reversed his first round effort at Lakeside to run out the winner on the day with a very creditable 38 points followed by John Killin on 36 and Michael Lees on 35. The Gold Team took out the team's event and Group 4 took the 4B Aggregate whilst the Survival Ball prizemoney went to Group 3 after a confusing, but fair, mystery draw.

Trevor Porter not only did a great job in processing the cards for the first time but also picked up the major skin of the day (\$80) for a 4 pointer on the 2^{nd} hole – no suspicion of score manipulation however as the computer programme is the same as it always has been.
